PETITION FOR WITHDRAWAL OF ABANDONMENT

Sir:

Applicants petition that the abandonment of the above-identified application be withdrawn.

On February 15, 2001, the Patent Office issued a Notice to File Missing Parts for the above-identified application. In particular, the Notice stated that the oath or declaration was missing and required a late filing fee for filing the oath or declaration.

On April 13, 2001, the undersigned filed a completion of filing requirements with the original declaration, a check for the later filing fee, an assignment, and a certificate of mailing dated April 15, 2001. A copy of each of these documents is enclosed. The return post card shows that the Patent Office received these documents on April 16, 2001 (copy enclosed).

Having received no action on this file from the PTO, the undersigned filed a status request on October 8, 2003 (copy enclosed).

TECHNOLOGY CENTER 2800

The undersigned has now received a Notice of Abandonment dated November 24, 2003 alleging that no response has been received to the Notice of Missing Parts of 2/15/01. However, as explained above, Applicants timely responded to this Notice. Accordingly, it is requested that this Notice of Abandonment be withdrawn and examination commenced on this application.

The undersigned states that upon penalty of perjury, based on knowledge and belief, all of the above statements are true.

Please charge our deposit account 50/1039 for any fee due for this petition.

As this abandonment was not Applicants' fault, a refund of the petition fee is respectfully requested.

Acknowledgment of the active status of this application is respectfully requested.

Favorable consideration is earnestly solicited.

Respectfully submitted,
